## YOUR EXPERIENCE AT THE RETREAT

Please plan to arrive 15-30 minutes prior to your scheduled appointment. Depending on the services you are to receive, a spa robe and slippers may be offered for your comfort as well as a locker for your personal belongings. First-time guests may be asked to complete required paperwork, while all guests are welcome to complimentary beverages prior to and/or after services. Arriving late may reduce your service time. Unattended children are not permitted in the spa environment. We encourage guests to make arrangements with next-door PlayDates Drop-in Hourly Child Care. Also, please silence cell phones during your visit so that you and our guests may experience a relaxing environment. A service gratuity of 15-20% is customary for a memorable spa experience and may be required.

## MEMBERSHIPS | SERIES | DISCOUNTS

Memberships are available for clients who enjoy monthly or regular spa services. Members are entitled to special pricing and discounts on services and products. Inquire for details.

Guests may purchase a pre-paid series of 6 treatments and receive a 7th treatment FREE (14% discount); or purchase 10 treatments and receive 2 FREE (17% discount). Series packages (including free services) must be used within 1 year of purchase.

Special discounts may be offered to groups (Mon - Thurs) as well as individual clients and their guests during birthday and anniversary months. Ask how you can earn credit for referrals and positive reviews via social media. The Retreat may limit guests to 1 discount per ticket.
